TEACHER TRAINING COURSE

Special Teacher Training Courses are held at the Karaiskou School and are designed to meet the needs of the inexperienced teacher who is interested in Methodology and Language analysis.

The focus of the course is on the following areas:

- **Language:** 1st Language Acquisition,
2nd Language Acquisition: Learning Theories
- **Approaches & Methods**
- **Teaching of Skills:** 1. Listening & Speaking
2. Reading & Writing
- **Using and producing visual aids**
- **Teaching Grammar**
- **Teaching Vocabulary**
- **Planning a lesson**
- **Using Games - Songs - Drama - Video - Role play - pair work**
- **Role of the teacher - Class management**
- **Testing - worksheets- Dealing with Errors**
- **Demo lessons**
- **Current trends in TEFL at primary level**

The introductory courses include both theory and practice. They provide an opportunity to explore current developments in language teaching and to apply these to the participants' own situations. This is done through short informal lectures, lesson demonstrations, experimental learning, seminar discussions and workshops. Participants may observe language classes in the school and may be asked to prepare projects and presentations as well as evaluations. All participants will be given a **Certificate of attendance**.

Duration of the course: 60 hours, 12/01/08 - 24/02/08,
[Saturdays and Sundays from 9.30 a.m. till 1.30 p.m.]
Fees: €650,00

Prerequisites : A. *Lyceum graduate*
B. **Either** *Certificate of Proficiency - Cambridge or Michigan*
or *Third year university student - English Department*
